

**INTERSTATE HOTELS & RESORTS NAMES ANDREW J. ARTHURS  
CHIEF INFORMATION OFFICER**

ARLINGTON, Va. – July 15, 2019 – [Interstate Hotels & Resorts](#) – the leading U.S.-based global hotel management company – announces the appointment of Andrew J. Arthurs as chief information officer. Arthurs is responsible for the design and delivery of innovative technical and business solutions to meet the diverse needs of the company and its worldwide hotel portfolio.

“As part of Interstate’s continued evolution we are pleased to add Andrew to our executive team,” said Michael J. Deitemeyer, president and CEO of Interstate Hotels & Resorts. “His leadership in building IT teams and technology-enabled solutions supports our objective to differentiate the company by leveraging our scale and performing best in class in all hospitality verticals.”

Bringing with him more than 15 years in technology leadership in the hospitality industry, Arthurs was most recently chief information officer at Two Roads Hospitality and Lowe, where he oversaw the integration of Destination Hotels and Commune Hotels and Resorts to create the world’s largest, independent lifestyle hotel management company, with approximately 100 hotels and resorts under management. While at Two Roads Hospitality, Arthurs also lead the partnership with Amazon to design and launch Alexa for Hospitality. Prior to joining Two Roads Hospitality, Arthurs held various leadership positions in the IT organization at Vail Resorts.

A global leader in third-party hotel management, Interstate Hotels & Resorts’ depth of experience across all lodging segments and asset classes drives results in each of its managed hotels worldwide.
